

Health Policy for People's Party New Zealand

The People's Party New Zealand (PPNZ) is committed to ensuring that every individual has access to affordable, high-quality healthcare. We recognize that a healthy nation is a prosperous nation, and our policies are designed to promote fitness, well-being, and equitable access to medical services for all.

Key Health Policies

1. **Encouraging Fitness and Well-Being**
 - The PPNZ will promote initiatives and programs to encourage New Zealanders to maintain their **physical fitness and overall well-being**, fostering healthier lifestyles and reducing long-term healthcare costs.
2. **Free Access to Primary Healthcare**
 - **General Practitioner (GP), nurse, and dentist visits** will be made **free of charge** for all New Zealanders, ensuring no one is deterred from seeking essential medical care due to financial barriers.
3. **Free Medication**
 - All prescribed medications will be provided **free of charge**, guaranteeing that individuals receive the treatment they need without additional financial burden.

Our Vision for a Healthier New Zealand

PPNZ is dedicated to creating a healthcare system that prioritizes **prevention, accessibility, and affordability**. By removing the financial obstacles to healthcare, we aim to improve overall public health and reduce disparities across our communities.
